May Carry New Jersey.

With Nominees in Same Position as in September.

NEW YORK, November 2.-As the result of a poll which has been conducted after 9 o'clock last night and resulted by the New York Herald, in conjunction in an estimated damage of between \$15,- with other prominent newspapers, the Herald tomorrow will say:

"Woodrow Wilson, the next President of the United States. That is the deducage to the building will not exceed \$3,000, tion to be made from a canvass of th

"Wilson and Marshall are indicated by a great flood of test ballots gathered in thirty-seven states. They are indicated state, getting information from men in Shortly after 9 o'clock William Calvert, all walks of life. Based on these test tions, the following analysis of the elec-

Thirty States for Wilson.

To Gov. Wilson in the table are given thirty states; to President Taft, six-Idaho, New Hampshire, Rhode Island, Utah, Vermont and Maine. To Mr. Roosevelt is given one-Washington; while eleven-California, Colorado, Illinois, Michigan, Montana, New Jersey, North Dakota, Oregon, Pennsylvania, South Dakota and Wyoming-are classed as doubtful.

Of the thirty-seven states wherein test ballots were taken Gov. Wilson leads in twenty-six, President Taft leads in ive and Mr. Roosevelt in six. In the same group of states Mr. Roose velt runs second in twenty-one, Gov.

Votes Taken Total 319,321. The total number of votes taken throughout the country reached the imposing Igure of 319,321, of which Gov. Wilson received 133,792, or 36,235 more people, and soon an enormous crowd had than Mr. Roosevelt and 67,499 more than

A significant and interesting feature of Mexican Federals Victorious the straw vote table is that the relative the reserves of the first precinct had strength of the three leading nominees is about the same in the closing days of the canvass as it was early in September For instance, the President was polling .216 per cent of the test ballots, when the first tabulation was made in September. He gathered in .208 per cent of the last votes cast, showing that he solidly up D street to 8th, causing con- was a shade weaker than he was in fore the federals were able to force the eiderable excitement in the stores and September. Mr. Roosevelt started by

taken. He closes by receiving .418 per Only Slight Fluctuation.

Throughout the campaign there has been but the slightest fluctuation in the relative positions of the nominees. There nave been persistent reports of threatened landslides to this that candidate, but the voting, taken with greatest care in pan are said to be occupied by insurthe very sections where the outbursts gents. were expected to occur, failed to foreshadow any such thing.

In the closing days there are rumors that the great silent vote-that of the men who decline to express any preference in advance-will swing to Mr. Roosevelt. The Hera.d has made every possible effort to "sense" any such general drift, but has been unable to do so. It is true that in New Jersey there has without doubt been a swing to Mr. Roosevelt. It has been so marked that the Herald this week places the governor's home state in the doubtful column.

Roosevelt May Get New Jersey.
